

We Are Recruiting!!

Due to company growth, we are currently looking for sheeting, cladding, felting and coating roofing operatives. Candidates will be located around the Midlands area.

These roles are full-time permanent positions.

We believe in long-term investment and Central offers excellent benefits, task-specific training and a clear progression route within the business.

We need operatives:

- In various disciplines capable of installing either flat, pitched, sheeting, and cladding systems.
- With experience in repairing, refurbishing and installing roofing on commercial properties.
- Central is committed to the equality of opportunity and welcomes applications from all sections of the community.

Benefits:

- Life insurance,
- Company events,
- Specialist industry training, performance-related bonus schemes,
- 21 days annual leave plus bank holidays,
- PPE and tools provided.

Qualifications/ Experience:

- Experience with either sheeting, cladding, felting or coating within the roofing industry
- Working at Height, CSCS Card
- Full driving licence
- Sheeting & cladding candidates would ideally already hold CAT B Non-Licensed Asbestos removal, IPAF, PASMA and Telehandler certificates although training can be provided.

Apply via LinkedIn or by e-mailing the Central Group at: HR@centralroofing.co.uk
